

GOVERNMENT OF JAMAICA

Ministry of Science, Energy and Technology (MSET)

REQUEST FOR BIDS

Contractor (Works) - Deep Energy Retrofit of Six Hospitals in Jamaica.

The Government of Jamaica (GOJ) through the Ministry of Science, Energy and Technology (MSET) has received funding from the Inter-American Development Bank, (IDB), Japan International Cooperation Agency (JICA) and the European Union-Caribbean Investment Facility (EU-CIF) towards the cost of the Energy Management and Efficiency Programme (EMEP), and intends to apply part of the proceeds to payments for the engagement of a contractor to effect the works.

The MSET now invites suitably qualified contractors to submit bids for: **Contractor (Works) – “Deep Energy Retrofit of Six Hospitals in Jamaica.”**

Availability of Documents

The Bidding Document will be made available via the electronic Government Procurement Portal (www.gojep.gov.jm). This Document will also be published in UNDB (<https://devbusiness.un.org/>), on IDB website (<https://projectprocurement.iadb.org/en/procurement-notices>) and on the website of the Ministry of Science, Energy and Technology (www.mset.gov.jm).

Bid Submission

Bids must be submitted electronically at Government of Jamaica Electronic Procurement (GOJEP) portal at www.gojep.gov.jm no later than **2:00 p.m. on Thursday, May 25, 2023**. No offline (hard copy) bids will be accepted and there will be no tender box available for the manual submission of bids.

Late Bids will not be accepted.
