

## GOVERNMENT OF JAMAICA

Ministry of Science, Energy and Technology (MSET)

### REQUEST FOR BIDS

#### **Contractor (Works) - Engineering, Procurement, Construction, and Initial Operations, and Maintenance of Rooftop Solar PV and Energy Efficient Air Conditioning Systems at the University Hospital of the West Indies**

The Government of Jamaica (GOJ) through the Ministry of Science, Energy and Technology (MSET) has received funding from the Inter-American Development Bank, (IDB), Japan International Cooperation Agency (JICA) and the European Union-Caribbean Investment Facility (EU-CIF) towards the cost of the Energy Management and Efficiency Programme (EMEP), and intends to apply part of the proceeds to payments for the engagement of a contractor to effect the works.

The MSET now invites suitably qualified contractors to submit bids for: **Contractor (Works) – “Engineering, Procurement, Construction, and Initial Operations, and Maintenance of Rooftop Solar PV and Energy Efficient Air Conditioning Systems at the University Hospital of the West.”**

#### **Availability of Documents**

Details on the works are provided in the **Request for Bids**, available on the website of the Ministry of Science, Energy and Technology ([www.mset.gov.jm](http://www.mset.gov.jm)) published in UNDB (<https://devbusiness.un.org/>) and on IDB website (<https://projectprocurement.iadb.org/en/procurement-notice>).

#### **Bid Submission**

Bids must be submitted electronically at [procurement@mset.gov.jm](mailto:procurement@mset.gov.jm) no later than **2:00 p.m. on Tuesday, October 18, 2022.** No offline (hard copy) bids will be accepted and there will be no tender box available for the manual submission of bids. There will be no public opening of bids.

**Late Bids will be rejected and returned to sender.**
