

UNOFFICIAL LIST OF DATA PROTECTION SERVICE PROVIDERS

N.B. The persons listed below have been identified as individuals/entities offering a range of products and/or services which can assist data controllers in ensuring their compliance with the Data Protection Act. The information given is as provided by the said individuals/entities and is intended ONLY to assist interested persons in identifying and contacting them at their own discretion. For additional information about the products or services offered or their qualifications and experience, kindly contact the providers directly.

DISCLAIMER: The list below is not exhaustive and may be updated from time to time. The Office of the Information Commissioner makes **no** representation or warranty as to the qualification or experience of any of the individuals/entities listed below or as to their fitness to serve the specific needs of any particular person or organization and in **no** way guarantees the suitability or effectiveness of any products or services offered.
